I, Robert W. Meyers of the Township of Sidney
make oath and say:—

1.—That I have set down in the above Assessment Roll all the real property liable to taxation, situate in the municipality of the
Sidney and the true actual value
thereof in each case, according to the best of my information and judgment.

2.—That the said assessment roll contains a true statement of the aggregate amount of the personal property, or of the taxable income of
every party named on the said roll and that I have estimated and set down the same according to the best of my information and belief.

3.—That I have entered thereon the names of all the resident householders, tenants and freeholders, and of all other persons who have
required their names to be entered thereon, with the true amount of property occupied or owned, or of income received by each, and that I have
not entered the name of any person whom I do not truly believe to be a householder, tenant or freeholder, or the bona fide occupier or owner of
the property, or in receipt of the income set down opposite his name, for his own use and benefit or otherwise to be entitled by law to be so
entered.

4.—That according to the best of my knowledge and belief, I have entered thereon the name of every person entitled to be so entered either
under this ACT or THE MANHOOD SUFFRAGE ACT, or any Act amending either of the said Acts, and that I have not intentionally omitted
from said roll the name of any person whom I knew or had good reason to believe, was or is entitled to be entered thereon under any or
either of the said Acts; and I further say that the date of delivery or transmitting the notice required by Section 47 of this Act is in every
case truly and correctly stated in the said roll.

5.—I further say, that I have not entered the name of any person at too low a rate in order to deprive such person of a vote, or at too
high a rate in order to give such person a vote; and that the amount for which each such person is assessed upon the said roll truly and
correctly appears in the said notice delivered or transmitted to him as aforesaid.

6.—I further say that I have not entered any name in the above roll, or improperly placed any letter or letters in column 4, opposite any
name, with intent to give to any person not entitled to vote, a right of voting; and that I have not intentionally omitted from the said roll the name of any
person whom I believe entitled to be placed thereon, nor have I in order to deprive any person of a right of voting, omitted from column 4 opposite the name of
such person, any letter or letters which I ought to have placed there.
